BarnoPrint

Remember to delete or hide this layer after use

(For landscape design just rotate the document setup and follow same instructions.)

3mm Bleed Area:
Anything here (blue area) will be trimmed off, but remember to extend your design to fill with any colouring or images into this 3mm bleed area. Avoid any unwanted white lines.

Finished Size/Cut Line:
This line (red dotted) is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

3mm Margin/Safe Zone:
The margin/safe zone is another 3mm inside of the cut line. Make sure all important elements and text are kept within this area.

3mm Margin/Safe zone *(up-to this grey dotted line)*: All text and important elements should within this zone

Finished Size/Cut line *(up-to this red dotted line)*: Finished print size

3mm Bleed: This 3mm area will be removed, please ensure that your artwork runs end to the blue edge area
